

Families & Communities

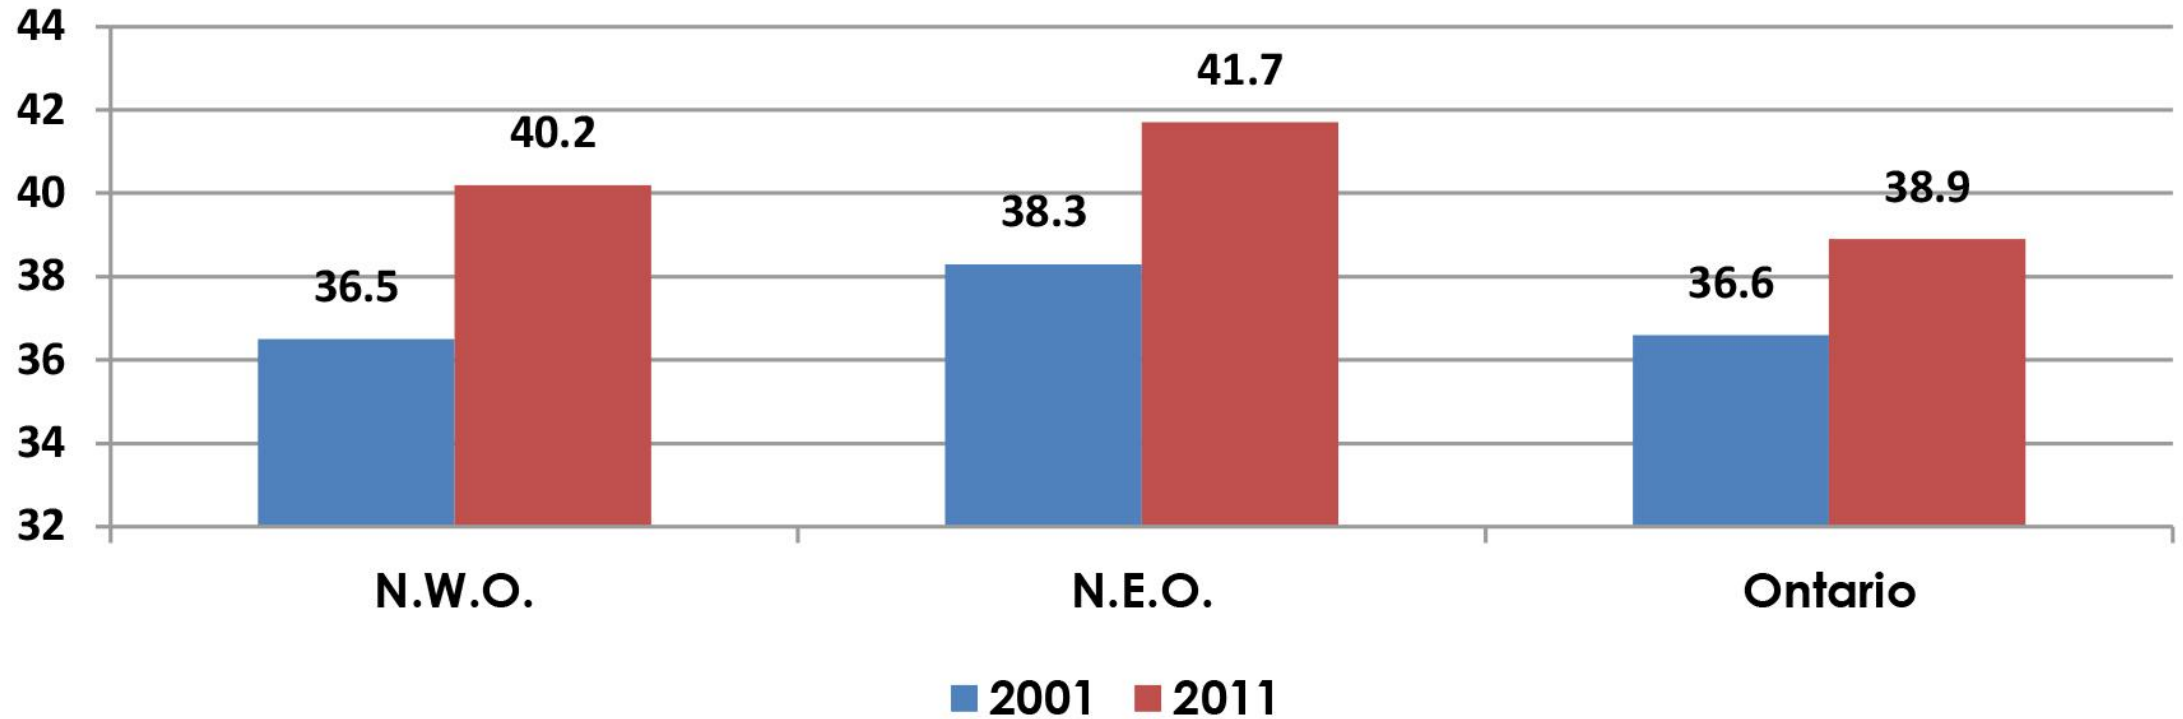

Common Voice Northwest

The Future of Northwestern Ontario...Be a PART of the Solution

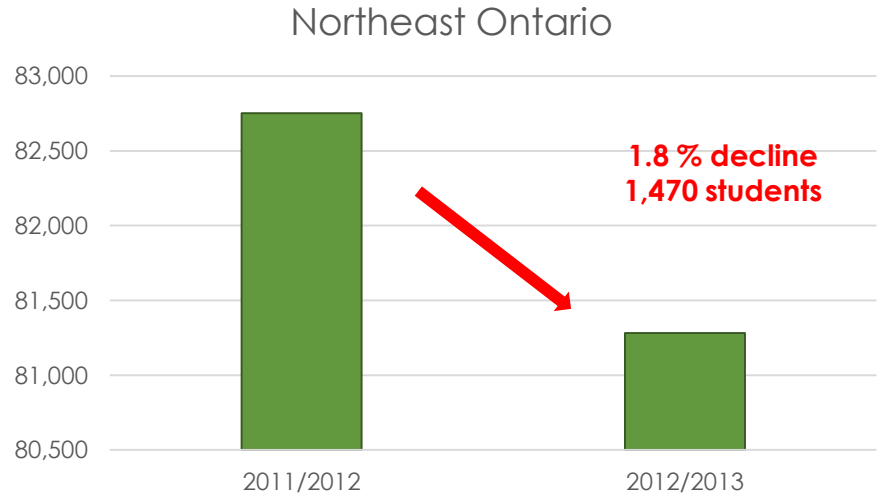

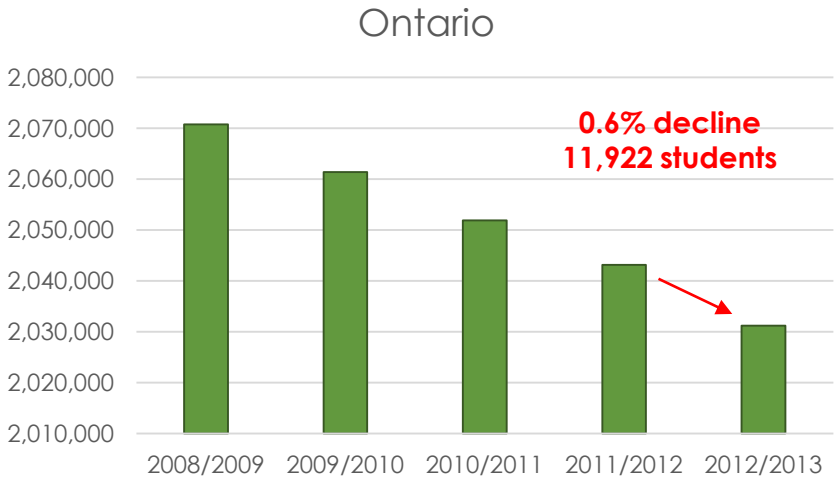

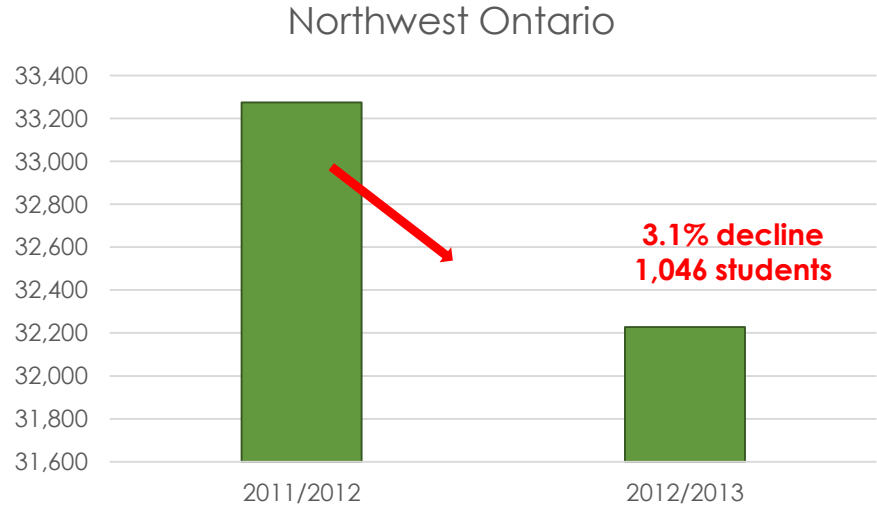

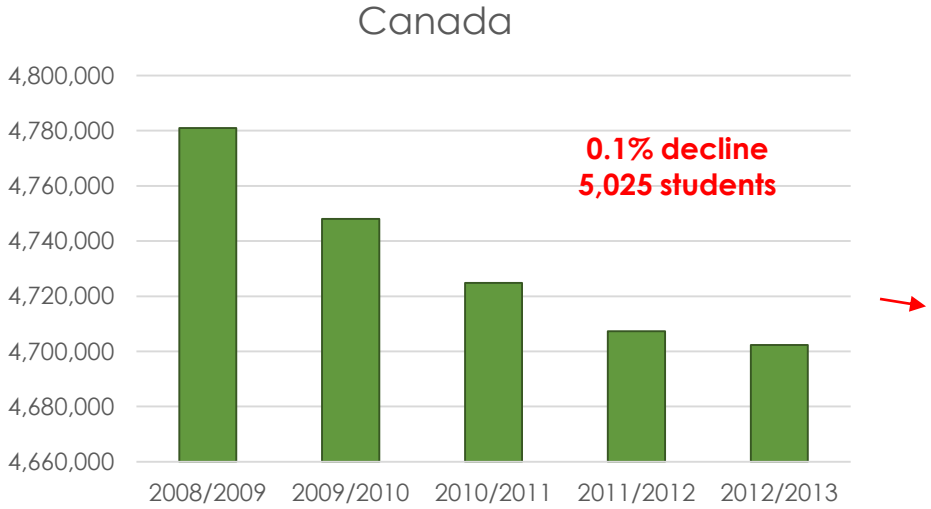

Average Fertility by Age, 2011

Average Age Changes 2001-2011

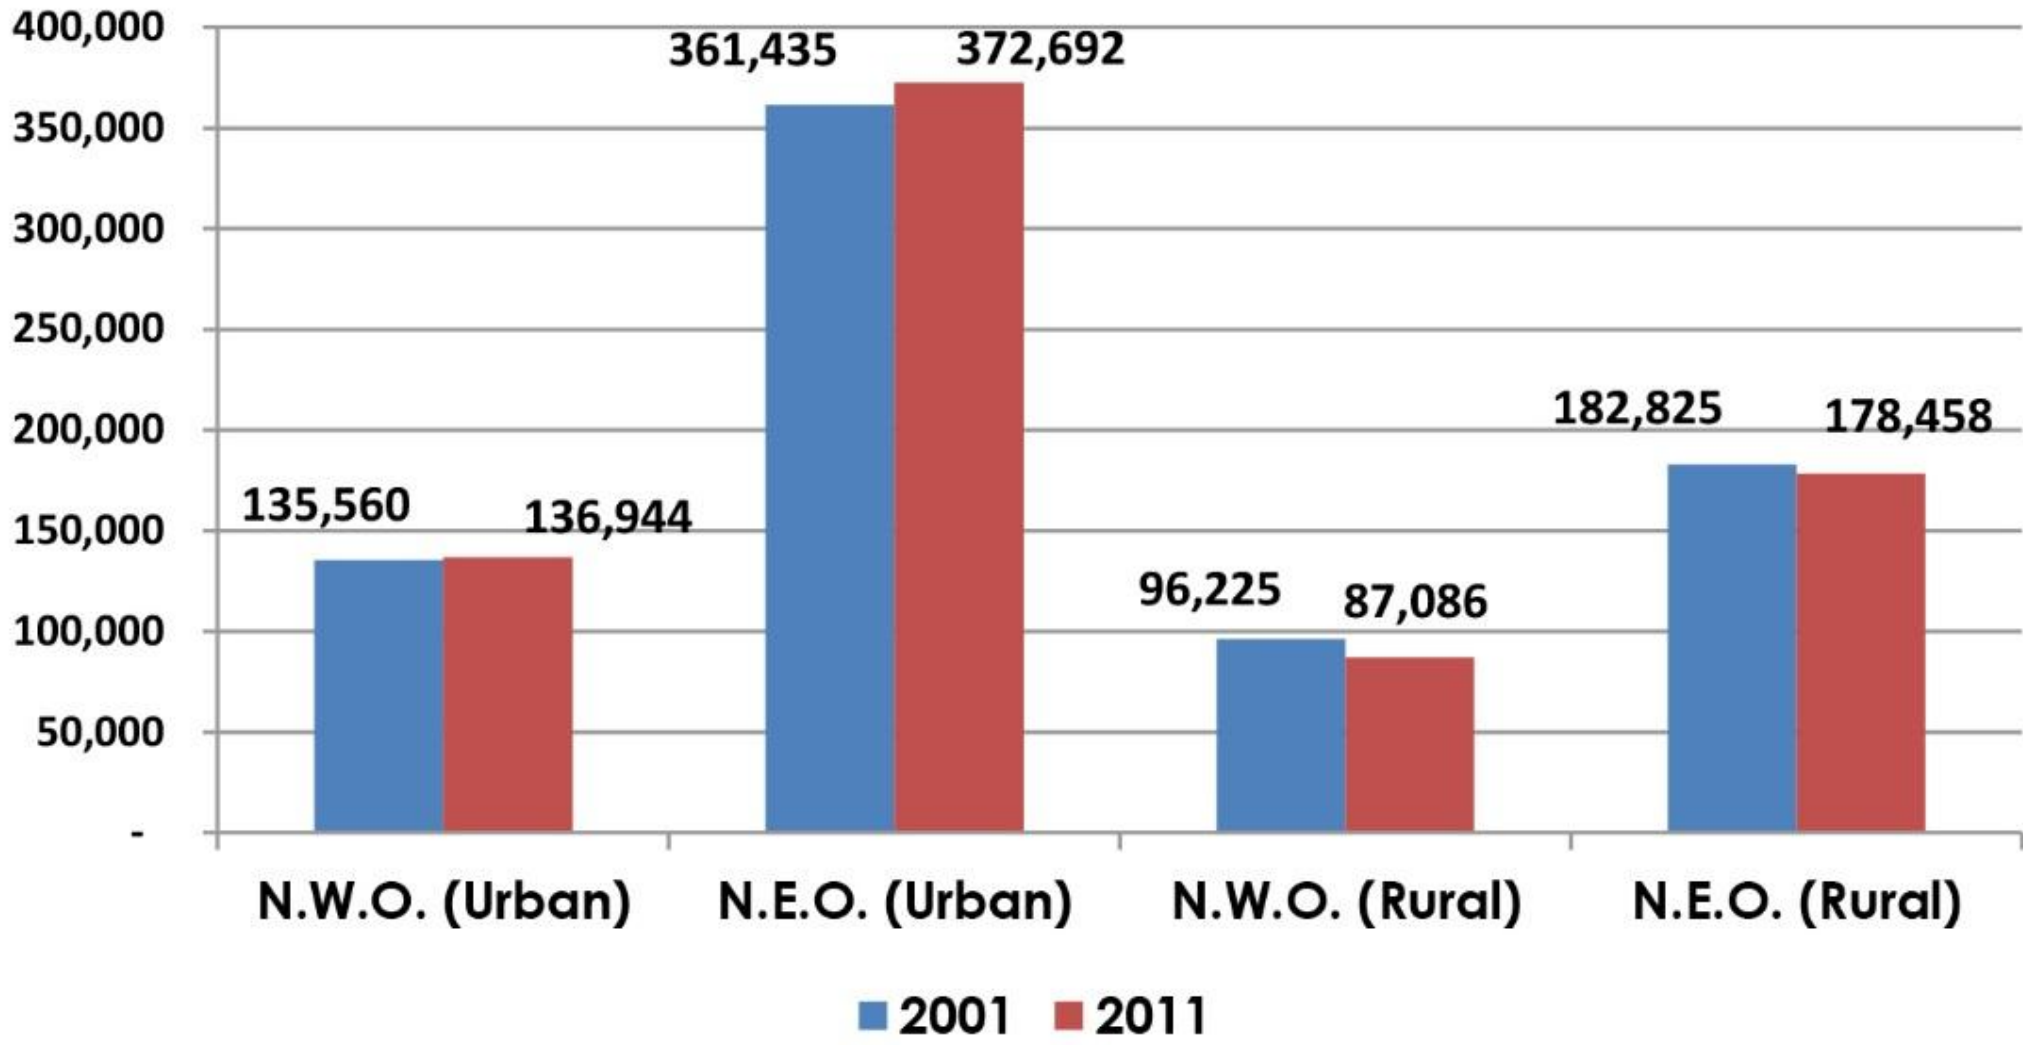

Elementary and secondary school enrolment is falling

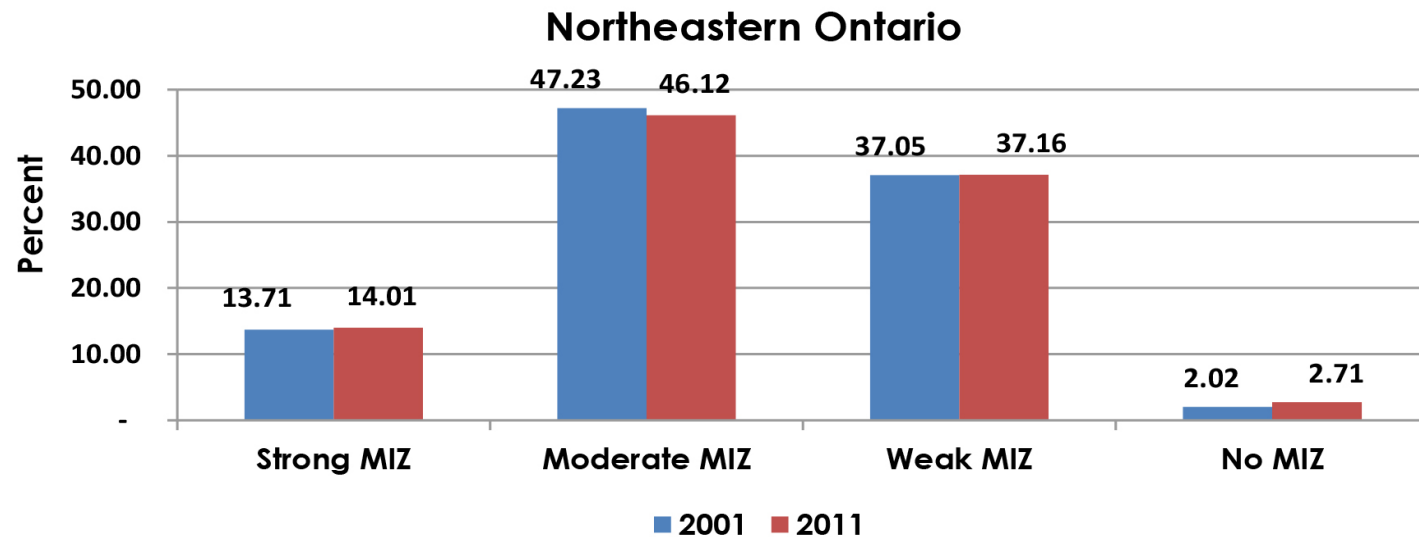

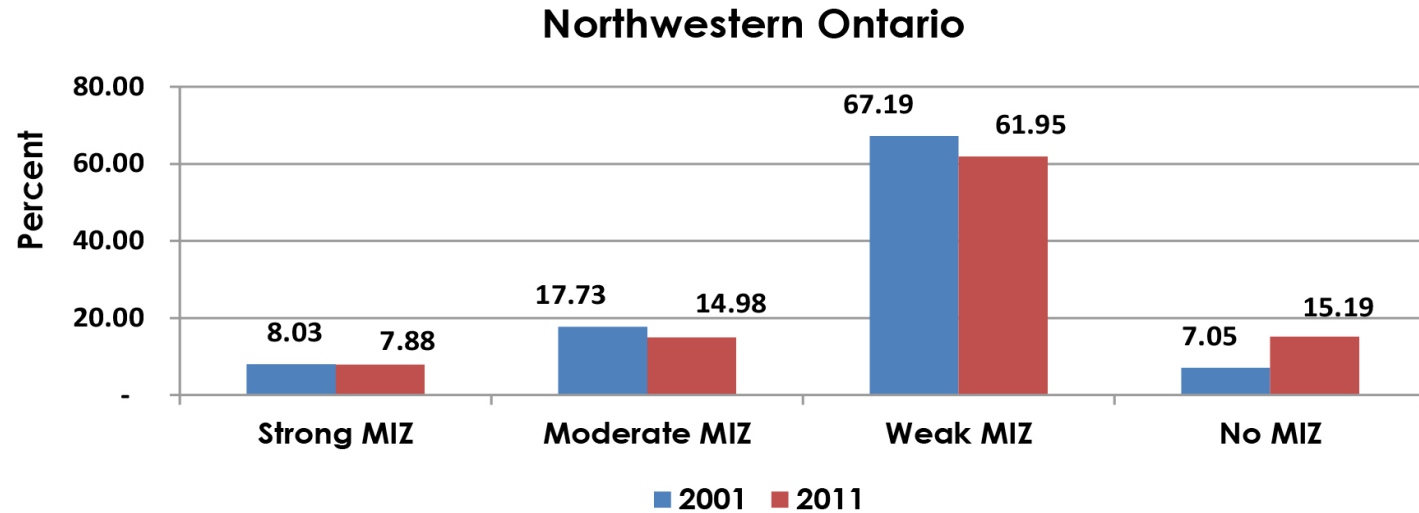

Source: Statistics Canada, CANSIM Table 477-0037; Ontario Ministry of Education

We are not only aging, we are urbanizing

Rural is more remote – esp. in NW

ROUND TABLE ASSIGNMENTS

1. What solutions would you suggest?
2. What roadblocks need to be removed to enable the Northwest to implement each suggestion?
3. Who should take the lead in implementing the suggestions?
